

## DOGCEMBER FUNDRAISER WAS A SUCCESS

Thanks to your generous involvement, together we raised over \$2,000 for [Animals Asia](#)! Above you will see participants Molly, Woolfie and Tori, and a rack of goodies which landed under various christmas trees.

The best dressed pets in the online dogcember competition won pet friendly holiday escapes to [Abbiente Cottages](#) in Byron Bay (Mr Woolfie Felton) and to [Ballina Beach Village](#) (Miss Molly Barton). Congrats to Maria Evans for winning the [Second's World](#) bar fridge and to Kathryn Werner who won the [Thomas Dux](#) Hamper. Thankyou to our amazingly generous, caring sponsors.

### Itchy Ears •

Does your dog shake their head or paw at their ears? They may have a painful ear infection, especially in this humidity or if they are swimmers. See James for a diagnosis and treatment. In the meantime, wipe out dirty ears regularly with a soft tissue to reduce the buildup of yeast and moisture.

### Saturday School •

Announcing the return of Saturday School on 2nd Feb! Every saturday morning at 8.30am join the friendly dogs who take a one hour behaviour class here at Barracks Vet. All standards of dogs are welcome. The dogs all love your undivided attention and training by See Spot Run. Your dog may win the weekly prize for "the most improved on the day". Bring \$25, treats, hats and leads.

Feel free to show off your pets' antics on our [facebook](#) page. We also find our [facebook](#) page is an excellent medium for you to use if you need to rehome animals, to advertise your lost pets, or to help each other out with offers of free equipment.

Cheers for now from all the team,  
James, Tors, Tamsin & Lucy
