

DOGCEMBER DREAMING

Why is Sunday 4th December stuck in your head? Because it's the date of the annual dogcember party, from 10am til 2pm at the Barracks Vet Surgery. Please invite your friends to meet you here for a Christmas catchup. Dogs are invited to wear fancy dress and may win themselves a prize. There will be games, face painting, hair braiding, entertainment, gelatos, a jumping castle, live music, the bar-b-que brilliance of popular Simon Bryant from "The Cook and the Chef", lots of laughs and a spot of pre-Christmas shopping.

Can you help? •

It's all to raise money for AnimalsAsia. So if you can bring along cake stall items, or can offer a prize, a service or party supplies, that would be wonderful. A Christmas present for the person who has everything? How about a certificate for half an hour cooking with Simon? Spots are filling fast so call us now!

Ticks •

Ticks are in abundance this year. Every day please run your hands all over your dog's skin, and remove any ticks you find immediately. Symptoms of toxicity range from weakness - especially in the back legs - to vomiting, coughing or an unusual bark.

Celebrations •

This month The Barracks Vet Surgery celebrates our two year anniversary. We thank everyone for placing their trust in us, and look forward to many years to come.

Pet's Day Out is a Mosman community event held at Allan Border Oval on Sunday 30th October. Whilst we don't want to confuse you with the unforgettable **4th December**, we hope to see you there!

Cheers for now from all the team,

James, Tors, Tamsin & Linda
